Waite Park bowler has record month

SARTELL -- A Waite Park bowler has had a heck of a month on the lanes. Eric George not only set two local records, captured the second and fourth high series scores in the state, but also threw two back-to-back 300 games in the same series and came up one pin shy of a perfect score. George bowled the games at the Great River Bowl in Sartell. And, Bowling Operations Manager Rod Neuenschwander says George's near-perfect series was remarkable. All total, George threw five 300-games and had three 800-series all in 10-days.
